A public notice is hereby published to inform all parents and legal guardians of minors (below the age of 18) that state law requires a signed written permission release for all minors who volunteer their time and effort at the various recycling programs around Auglaize County. These release forms are available at all recycling locations, and can also be requested by calling 394-1270. The signed forms must be maintained on site by the recycling coordinator for possible inspection by the state of Ohio. The state of Ohio minor laws also prohibit the operation of power-driven machinery and/or conveyors. The Auglaize County Solid Waste Management District wishes to thank all volunteers in their recycling efforts, and encourage any and all interested groups to contact us for more information at 394-1270.
